TECHNICAL SCHEDULES

PREAMBLE TO TECHNICAL SCHEDULES

1. Bidders are required to provide full and complete information as detailed in the following Schedules. All Schedules are required to be completed, but Bidders should not necessarily restrict themselves to using the space that is provided; Bidders will be responsible for providing additional sheets/pages and/or supplementary information wherever necessary to fully communicate the required information. The information will be examined to assess the capability of the bidder to carry out the work in accordance with the requirements of the Contract.

2. In the event that any particular Schedule or item in the Schedule is not applicable, the Bidder shall clearly indicate the same and provide full and complete justification regarding why it is not applicable.

3. The Employer wishes to clarify that regardless of what is proposed by the Bidder, the successful Bidder shall be required to conform in all respects to the requirements of the Contract, and all proposals shall be subject to the approval of the Engineer. Acceptance of the Bidder's proposal for the purposes of bid evaluation shall not be construed as approval by the Employer. All details will subsequently be subject to the approval of the Engineer during execution of the Contract. No claim for additional payments shall be entertained, other than in accordance with the Contract.

4. Pursuant to Sub-Clause 17, Instructions to Bidders, Volume 1, information provided by the Bidders in Technical Schedules (attached in Volume 2) will be assessed to determine whether bidder meets the qualification criteria.

5. Deleted.

The Bidder shall note that, pursuant to Sub-Clause 22.2 of Section 1, Instructions to Bidders, bidder is required to affix bidder's seal and authorized signature on all pages of this Section, Technical Schedules.
